Mr. McCoy,

Attached are city council minutes from May of 2005. These minutes demonstrate that for years Mr. Kaufman has been telling the residence in 44 Ranch Estates that we would be surrounded by 1/2 acres lots. I have highlighted the areas where this was discussed.

What else do we need to do to prove to the planning board and current city council regarding what we have been told by WGM (Kaufman) and the City of Missoula?

By copy of this email I am providing the city counsel with the attached minutes and ask that they consider what has taken place and voiced to the residence of 44 Ranch Estates. Please review all of the information provided to you prior to your vote on Heron's Landing subdivision.

Thank you,

Mary Maynard
