

CLEAN CAR TECHNOLOGY

Why there is **no quality air**??

A conceptual diagram illustrating the sources of pollution. On the left, two circles are stacked vertically: a blue circle at the top and a green circle at the bottom. A blue plus sign is positioned between them. An orange arrow points from the space between these two circles towards a large orange circle on the right. The background features a stylized blue sky with a white cloud on the left and a white bird in flight.

Pollution

Maximize Carbon emission Or Drilling more fuel

Pollution Formation causes ...???

Solution Is Here

Clean Car Technology

Reduce Oil Use

Efficient Fuel - Economy

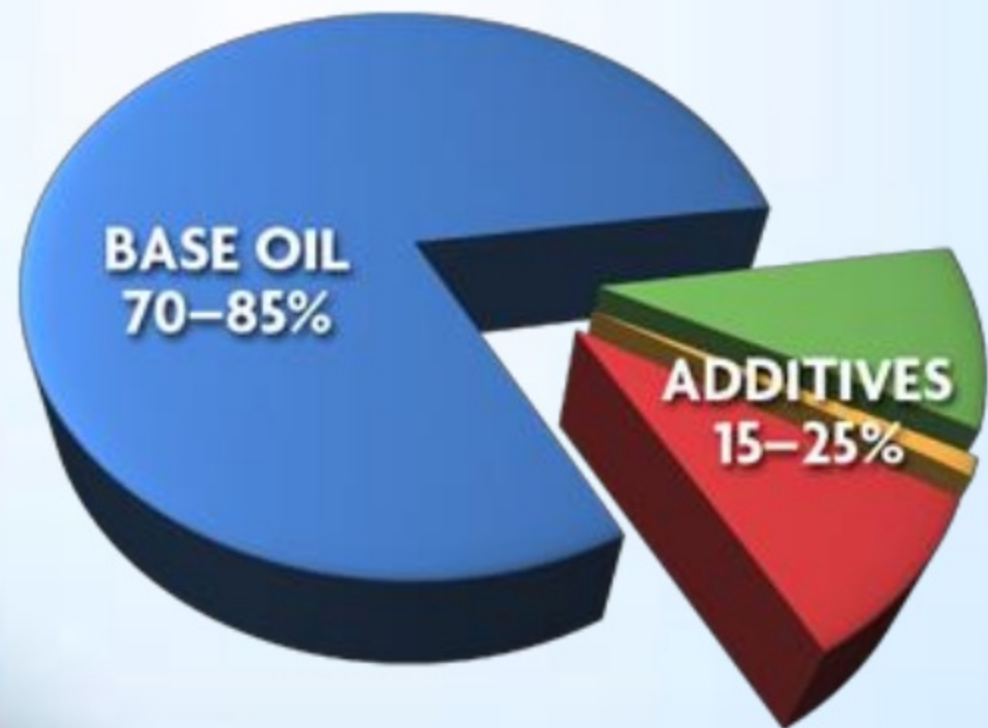

Less Oil extend the benefit

Why Clean Car..?????

**19 million barrels of oil consumed every day
By Americans**

Oil Use drives Global warming

**Not only CO₂ but root for
all types of Air Pollution**

How Helpful Clean Car is?????

Increase Fuel Efficiency

**Less
Fuel
To
given
distance**

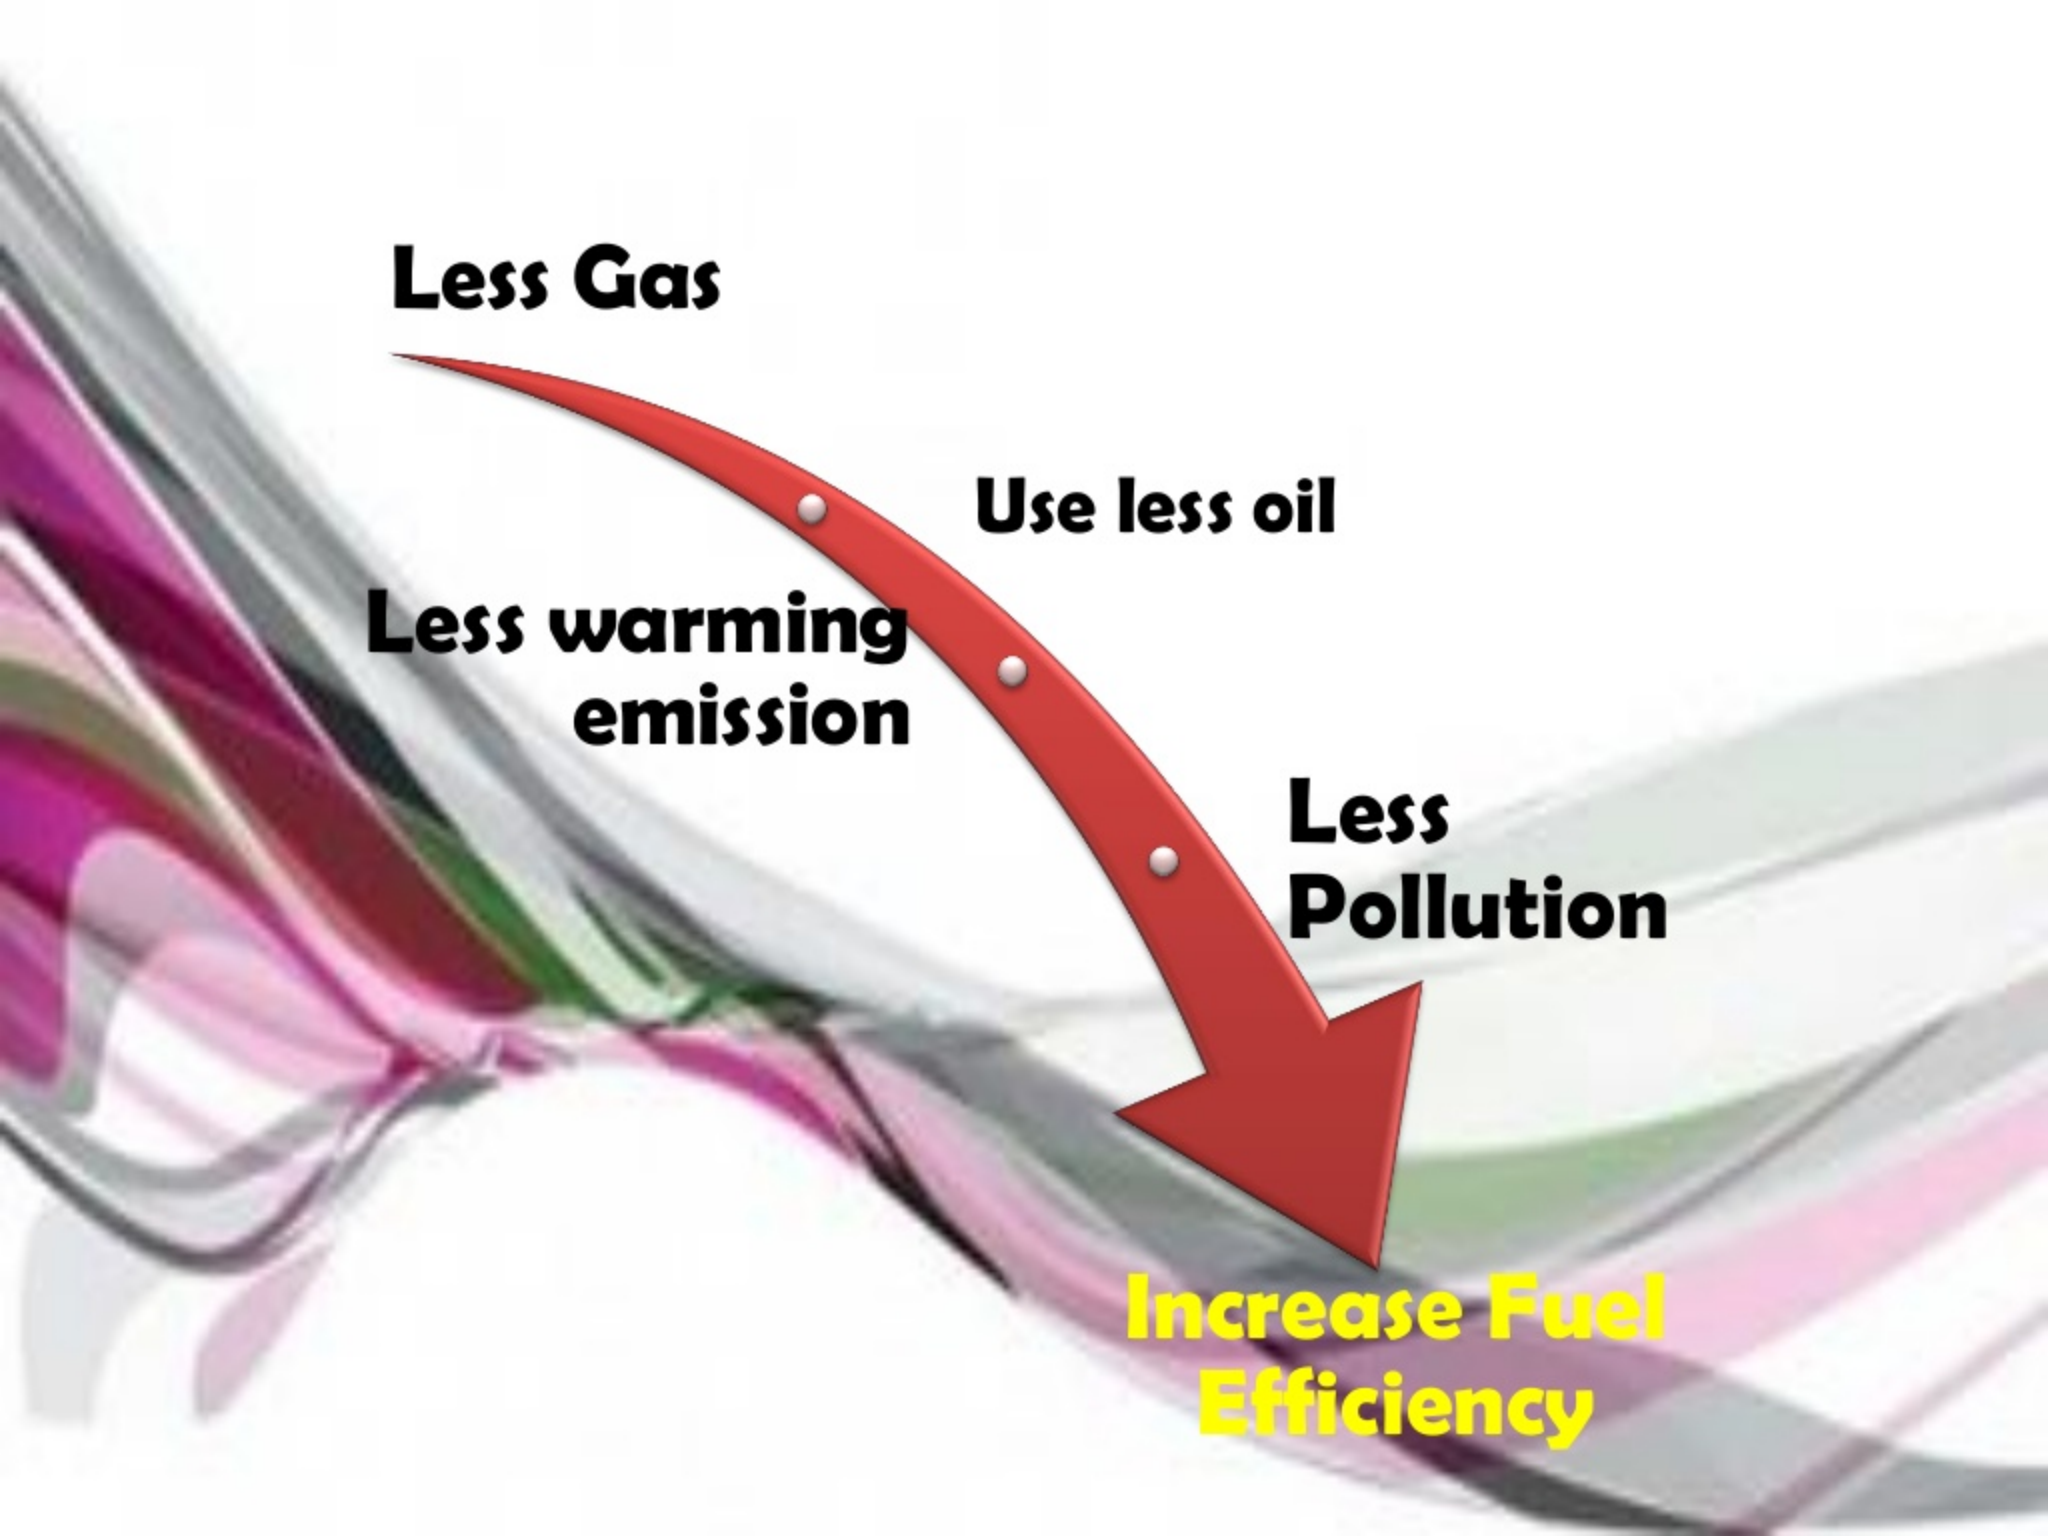

Less Gas

Use less oil

**Less warming
emission**

**Less
Pollution**

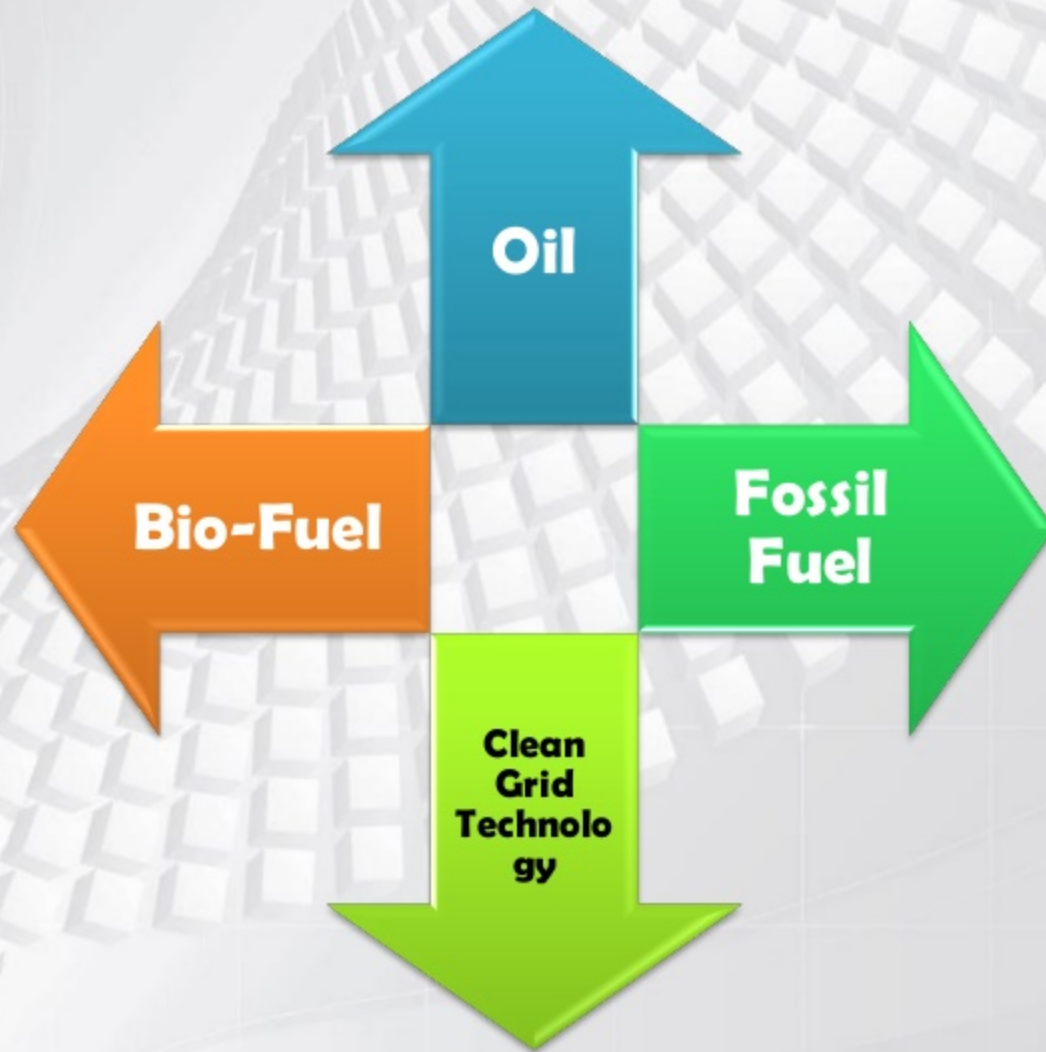

**Increase Fuel
Efficiency**

Use of Right Fuel
