Music/Awards Night

The year-end Music/Awards Night is Thursday, May 27th, at 7 p.m. Please note that all students are required to attend, since they will be performing music that they have been working on in Music class for the last couple of month. We will be holding the event in the gym, and it will also be live-streamed (with much better quality and equipment than the Talent Show had!). We are limiting attendance to 5 seats per family, unless your immediate family is greater than 5, in which case all can attend. If you have not yet done so, please complete the online survey (link re-emailed to you this past weekend) in order to facilitate the setup of chairs and assigning seats. Students will be sitting with their families when not performing, so you should include your Berea student(s) in your count.

The program will include a concert by the band, the music program, Kindergarten graduation, and presentation of awards.

A **volunteer is needed** to put together a digital slideshow of photos of the past school year to show at the Music/Awards Night. If you would be willing to put this together, please speak to Mr. Thurow
