## President's Message

Hello, all;

The Texas tour in Beaumont, was a lot of fun and good food. Eleven of us were able to make the trip. Julia had some trouble with her truck on the way there and she had to rent a truck in Jacksonville. All of her children were at the tour to spend the week end with her. I think all had a good time. There was a lot of laughing and ribbing at our table at each meal. Lou was a big winner at the raffle drawing on Saturday night. She won a set of 1931 license plates, valued at 300.00 dollars. Walt provide a model A cut out of steel for the auction, It was a big money maker. Each night was different and a lot of fun.

On the 16<sup>th</sup>, 19 of us met for breakfast at the Down Home Cafe in Canton. After breakfast a group of us traveled to Edom to pick blue berries and black berries, and yes we did get rained on.

Thursday night the 18<sup>th</sup> there was a good turn out for cruise night even though it rained again.

Wishing everyone a great and safe 4<sup>th</sup> of July.

See you all on the 7<sup>th</sup> of July for our ice cream social meeting at the DQ. We will have a short Meeting.

See you there.

Jody

**Tuesday Breakfast  
Down Home Cafe  
Canton, TX  
16 June 2015**

What can you say? Good food, good friends, good conversations.

Nineteen folks met at the Down Home Cafe in Canton for breakfast. After, several of us traveled on into Edom where we visited Blueberry Hill and picked blueberries and black berries. Yes, it was wet. But it never really RAINED, more of a heavy mist and drizzle. That still soaked you to the skin!

Blueberry cobbler, blueberry pancakes, blueberry coffee cake, .... Oh, my!

## Texas Tour 2015 Beaumont, TX June 11-14, 2015

Early June found six of our club's families attending Texas Tour in Beaumont. The Tour this year was well organized, and well attended. Each evening saw a catered dinner in the ballroom at the hotel, and the food served was the best I can remember. Certainly it wasn't your typical airline meal!

The Tour on Saturday was to Sour Lake, the origins of the oil industry in Texas.

# "Danny Animal Transport Van" (aka DANNY VAN)

Danny Hampel's unwavering love of animals was the catalyst for his involvement with the Humane Society of Cedar Creek Lake.

In lieu of flowers, a memorial fund has been established in Danny's name to benefit the Humane Society of Cedar Creek Lake.

It is hoped that an Animal Transport Van could be purchased with this fund which would facilitate the transport of foster animals and save the lives of our furry friends.

As I age I realize that:

I don't need anger management. I need people to stop pi--ing me off.

My people skills are just fine. It's my tolerance of idiots that needs work.

The biggest lie I tell myself is, "I don't need to write that down. I'll remember it."

I talk to myself because, sometimes, I need expert advice.

Sometimes I roll my eyes out loud.

When I was a child, I thought nap time was punishment. Now, it's like a mini vacation.

Even duct tape can't fix stupid, but it can muffle the sound!

Wouldn't it be great if we could put ourselves in the dryer for ten minutes and then come out wrinkle-free and three sizes smaller?

If God wanted me to touch my toes, he would've put them on my knees.
