Acting Principal's Message

Tena koutou katoa, nga mihi nui kia koutou katoa.
Greetings Parents, Caregivers and Community members.

What Have We All Been Up To?

I am fortunate to work in a place where so many opportunities are available to our students and staff and are often taken up with much enthusiasm. The **School Cross Country** was held on Tuesday and well supported by whanau and friends cheering our students from the sidelines. A massive thanks to everyone who created this event for our students to participate in. Space 14 headed to **Waitomo Caves** last week and spent an action packed 4 days filling their curiosities about the natural world and finished the week with facing new challenges in the area of caving and abseiling. We have 2 teams of year 3 to 6 students preparing for the **Rippa Rugby** tournament next week-many being their first inter-school event. The School Book Fair is currently on till Friday. If you have not had a chance to pop in, it is open till 5.30 tonight. It is space themed including aliens, a full on space station and the creations from students across the school. Space 10 headed to **Paradise Valley** last week to be updated with the conservation measures that are underway out there. The lions behaved themselves and we had ALL the students return to school that day.

House and Sports Captains for 2021

It was just two weeks ago that all of our students voted for their choice of House Captain for their house. Being a house captain is a huge privilege to have and we are proud to announce the students who have been chosen by their peers to lead their house. They are -

Sports: **Loretta Himiona, Jaydah Oti**

Farewell to Matua Mikaere

Matua Mikaere has resigned from his position as a teacher in our school and will be leaving Kawaha Point School at the end of Term 2. Matua Mikaere has been a treasured Kaiako at Kawaha Point School for 10 years now and while it is hugely sad to see him go, we know that he will continue to thrive and make a difference for learners at his new kura in Tauranga, where he and his whanau now resides.

Questions, complaints and concerns

From time to time, you may wish to raise a question, share a concern or celebration with your child's teacher and we really welcome those conversations to better understand each other and to ensure your child has every bit of success that they deserve at school. These conversations can happen in a variety of ways including phoning the school and arranging your child's teacher to call you back, through messaging on See-Saw, via email (all teacher emails are on the school website) and face to face by coming into school.

No matter what the discussion is about, we welcome the chance to talk with you about your children because at the end of the day-we want the same things as you do-for your child to be safe, to be happy, to be nudged out of their comfort zone and to have every success that they deserve!

Reminders:

1. Please provide morning tea food from home each day.
2. The cones will be removed by the duty teacher only at 3pm in the drop off zone.
3. Please find time to read to your children. Big or small, the rewards for everyone are the same!

Have a great week! Nicky King
