

How to add a weighing scale item in HDPOS smart?

Some items such as fruits and vegetables are weighed using weighing scale while selling. HDPOS smart facilitates the use of weighing scale by getting the weight directly from the weighing scale.

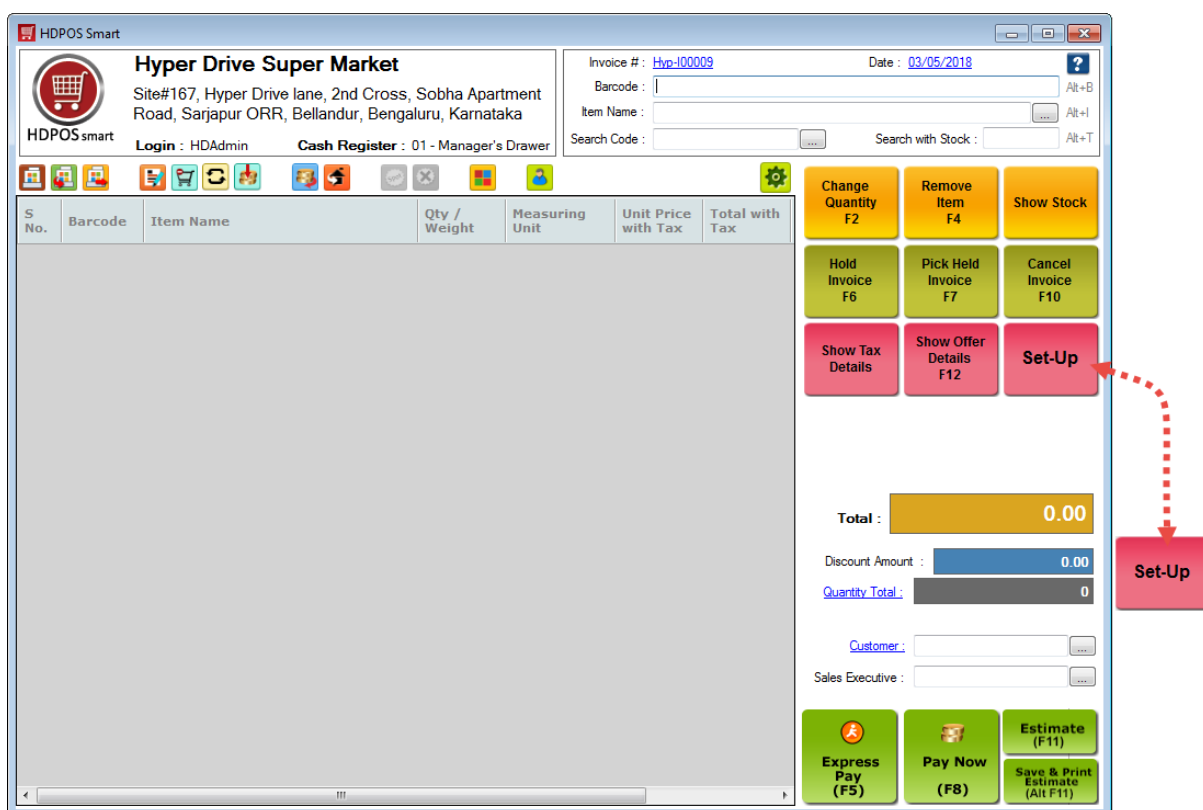

To use weighing scale for items that need to be weighed, follow the steps given below:

1. Create an item that needs to be weighed.
2. Setup weighing scale interface.
3. Use the item for billing.

The detailed procedure for each of the steps is given below:

Step 1: Create an Item that needs to be weighed.

1. Run **HDPOS smart**.
2. Click on **Set-Up** button.

3. From the first page of **Set-Up**, click on **Items**.

4. Click on **Add Item** button.

5. Enter the item details and check **'Weighing Scale Used while selling'** checkbox. Click on **Create**.

Step 2: Setup the weighing scale interface.

For the weighing scale to send the weight of the item to the application while billing, you need to setup the weighing scale settings. Please follow the following steps to setup the weighing scale interface.

1. From the 4th page of Set-Up, click on **Settings**.

Please make your selection from the left side

Go Back To Main Screen About Us Feedback Backup Database Restore Database

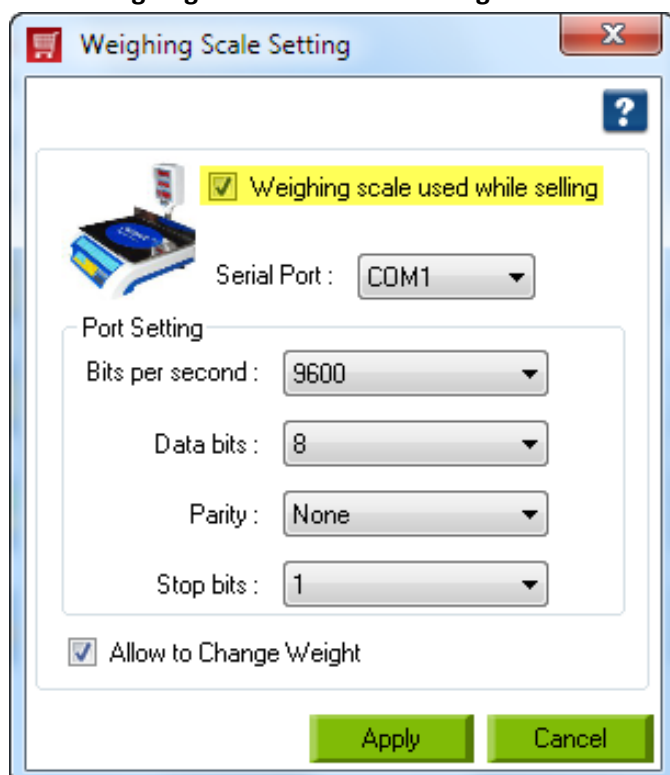

2. From **System Setting** screen, click on **Weighing Scale**.

3. Check **Weighing Scale used while selling** checkbox.

4. Select the appropriate port for **Serial Port**, and enter the port setting details. Click on **Apply**.

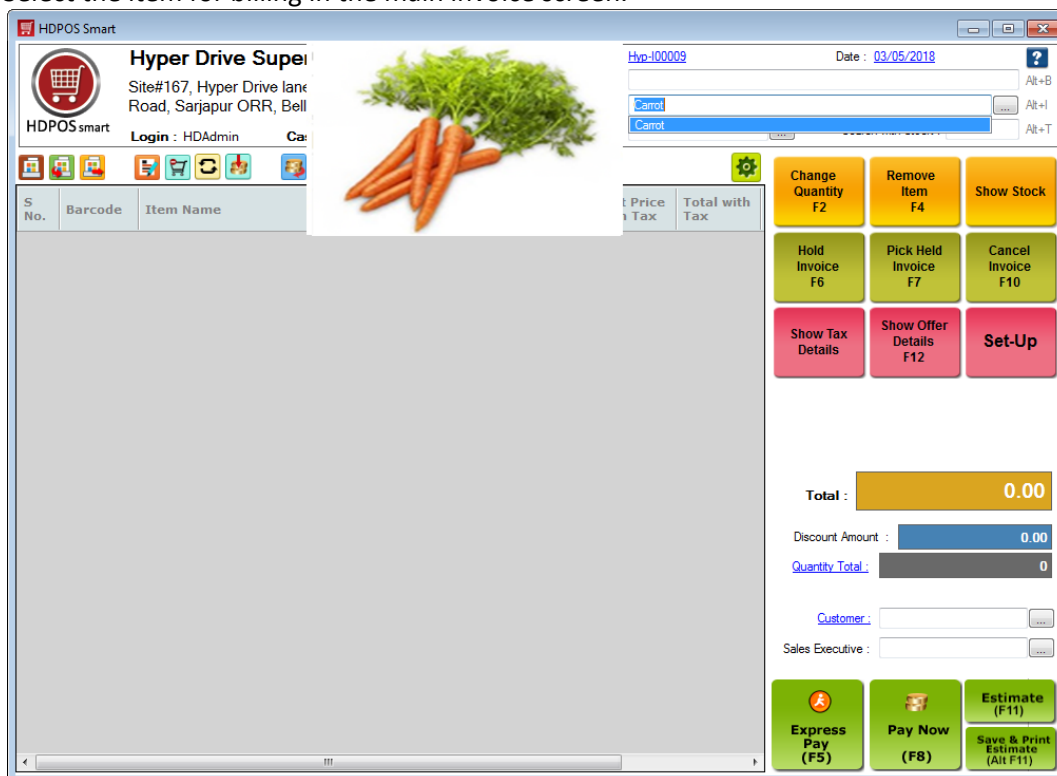

Note: Refer the weighing scale's user manual for details on port settings.

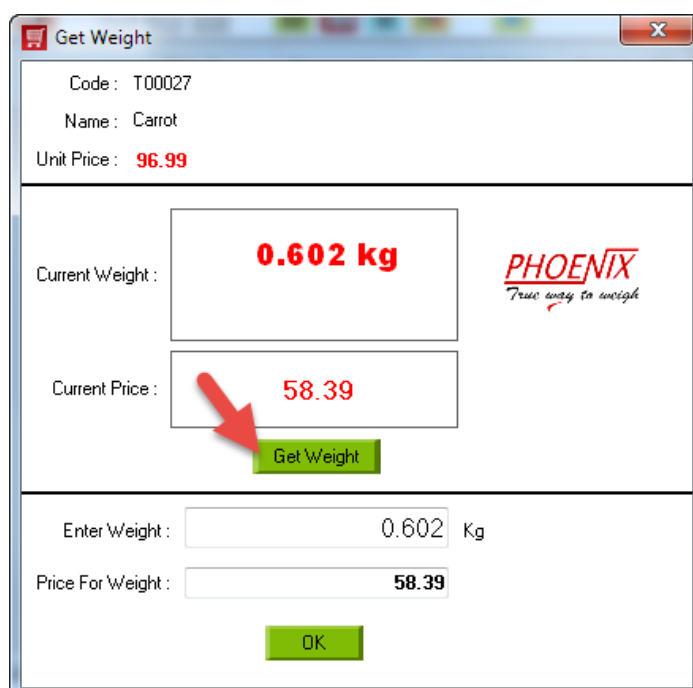

Step 3: Select the Item for Billing.

As the weighing scale has been successfully setup, adding the newly created item to the invoice opens a window that reads weight from the weighing scale.

1. Select the item for billing in the main invoice screen.

2. In the **Get Weight** window that opens, the weight of the item is displayed along with its price. Click on **Get Weight** button to get the weight. Click on **OK**.

3. Verify the quantity of the item that has been added to the invoice and continue billing.
