If your organization values family, arts and community then Imagine in The Park is a great fit. We're currently looking for new sponsors to add to our family, and would love to discuss customized partnership opportunities that meet your goals and enhances our audiences experience.

Our vision is to support education of the fine arts for youth from communities in need in the Hamilton area, as every child deserves a chance to realize their full potential regardless of finances, ethnic background, religion or region of living.

Our mission is to showcase the importance of children and the arts through a free, interactive arts festival where children and families can learn from professional artists and authors through discovery and creative expression.
