

# Creation Season BINGO

Creation is a precious gift from God. Creation care  
actions of every size are sacred.  
Do five in a row or as many as you can!

Listen to an episode of the podcast How to Save a Planet	Prepare one plant-based meal	Start recycling at home or at work	Use only reusable bags for one grocery store trip	Pick up trash from a natural area (park, lake, stream, etc.)
Carry a reusable water bottle or coffee mug	Buy produce from a local farmer	Buy from a local small business	Purchase something secondhand rather than new	Start composting at home or at work
Use energy-saving light bulbs	Wash one load of clothes with cold water and hang to dry	FREE	Donate to an environment nonprofit	Switch to eco-friendly and natural house cleaners
Walk or bike instead of taking a car	Visit a beautiful natural place and give thanks to God	Conduct a home energy audit	Switch to a zero-waste product (soap, shampoo, etc.)	Eat no red meat for a week
Plant a tree or support a tree-planting project	Grow own vegetables or produce	Switch to bamboo paper towels or washable dish clothes	Invite two folks outside your household to take one of these actions	Contact an elected official to advocate for environmental protection

How many are your works, Lord!  
In wisdom you made them all;  
the earth is full of your creatures.  
There is the sea, vast and spacious,  
teeming with creatures beyond number—  
living things both large and small.

~Psalm 104:24-25 (NIV)
