“ Dear Carol Ann,
Thank you for your friendship. You were one in a million. I will always remember you with a smile. We had a good time at Ethan Allen for many, many years. God now has a red headed angel.
Joan and I will miss you.

“ Dear Carol Thank You for all the memories you left behind. We made a lot of memories throughout our childhood days. We are saddened by your loss. You will forever live in our hearts. God has put His arms around you and has lifted you to rest in His beautiful garden.

Cousin, I like to think that whenever I see a butterfly that it's you who has come down from heaven just to say hello. Rest in peace my cousin, you are always in our hearts.

Love ,

Joyce. & Cliff

“ Dear Carol, Although we will all miss you so very much, we know you are finally at peace now. It has been a long tough journey for you the past 2 years, but you fought it all the way through. I only hope that you knew we were with you at your last moments and felt our presence as you passed to eternal life. We always spoke about being with everyone once we pass on, and I only hope this is true as in time we will all be together again. Always in our hearts and never forgotten. Lori , Joe and Joseph
