BACK TO THE GALAXY III PART

What started out as a 30 year high school dance reunion turned into so much more...

The idea was simple, rent the same banquet hall (Knights of Columbus), enlist the same school DJ (Frankie F Fresh), bring in food and drinks and relive our high school glory days in the actual venue where we used to party back in 1987.

Tragically, during the process of organizing the event, two childhood friends (and supporters) of the event lost their battle with cancer. In addition, the organizer's mother and mother-in-law were also diagnosed with the disease. What became immediately apparent is that this event had to be a fundraiser, in honour of those whose attendance was denied by cancer.

Did you know that 1 in 2 Canadians will be diagnosed with cancer in their lifetime?

On March 3, 2017 the high school dance reunion became an 80s themed fundraiser gala with over 350 in attendance! The evening was filled with throw backs to the 80s including music, the Delorian from Back to the Future, Star Wars storm troopers, Ghostbusters and more! The event raised a total of \$16,300 in support of the Canadian Cancer Society. It was immediately obvious that cancer had affected the lives of so many people, and those people wanted to do something about it... and so due to popular demand, a follow up to "Return to Columbus" event was held on April 6, 2018 at the 707 Galaxy in Oakville called "Back to the Galaxy". This event raised a total of \$21,550! On May 10th, Back to the Galaxy II raised \$21,800! Join us on Saturday May 2, 2020 for the third and final event!

This event promises to be even bigger and better with an expected attendance of over 450 people!
