Dual Collins FGC – 3000

Mark VIII EGPWS

Artex ELT C406 – N

Collins GPS – 4000A

Garmin GPS/FMS GPS – 500

AVIONICS & EQUIPMENT

INTERIOR

GENERAL

The aircraft is a six seat configuration with the larger forward galley. The galley provides space for the atlas tray carrier, a special installation on this aircraft which is a perfect addition for owners looking for an easier and cleaner catering experience. An additional option on this CJ2+ is the entry steps known as the Airstair, which is an improved version of the entry steps for more comfort. THE AIRCRAFT HAS UNDERGONE A NEW INTERIOR REFURBISHMENT AT JET AVIATION IN VIENNA DURING THE DOC 10 INSPECTION.

SEATING

The seating is Townsend Leather with the Pacific Style tailoring and Anise colouration. The buckles are covered with polished chrome.

FINISHINGS

The finishing are in a brushed Aluminium that works perfectly with the Anise seats and light general colouration of the cabin. The additional finishings are the Wheatberry Sidewall and the Cut Pile carpet in Mink. The back of the cabin has been fitted with a Bronze Mirror.
