

## **CAT CONSCIOUSNESS**

### **Who the Cats Really Are**

**Sunday, July 25, 2021**

You need not be present to participate as the class is presented as a Zoom webinar and will be recorded.

---

**Have you ever been with a CAT and felt that you were in the presence of a very conscious Being?**

**The Cats here on Earth are very wise. They are Master Healers and experience Multi-dimensionality in their physical awareness.**

**They are highly intelligent and their bodies are very evolved, beyond the human form.**

**The Cats tell me that they are 12th Dimensional Beings with expanded consciousness. They emanate from the Lyrans System and they have come here to Earth to be stewards for humanity.**

---

**One of our mantras is  
“The animals are the  
greater body of healers  
and teachers” on this  
planet.”**

**They live outside of  
duality and do not  
experience judgement or  
a sense of failure after  
making a mistake or a**

**poor decision. Their whole focus is on love and ways to share with you.**

---

**I was born able to communicate with animals. I did not realize this was a special or evolved gift at the time. I just thought the animals, being horses, dogs and cats liked listening to me and we made friends.**

**Now I know everyone has this GIFT. It may be underdeveloped, but you can activate your animal communication ability with some practice.**

**We will listen to the CATS and my partner Master Cat Puddah will teach us about the History, Wisdom and Healing abilities of the Cats.**

**You are welcome to bring your cats at home into the dialogue we will share and we will talk about how life will evolve for humanity when we stay connected to the teachings of the wise Cats.**

---

**Master Puddah is an old Soul that has returned to me 5 times in this lifetime. She focuses her energy on offering us healing and assisting us with our Cosmic memories of Who we really are.**

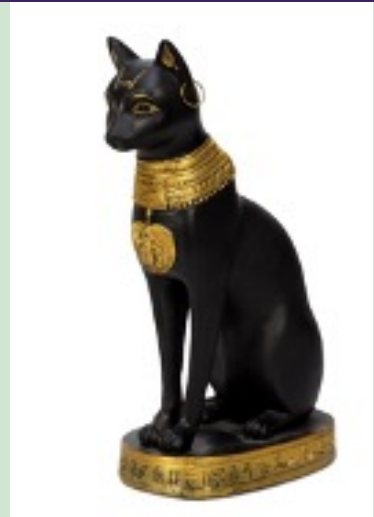

---

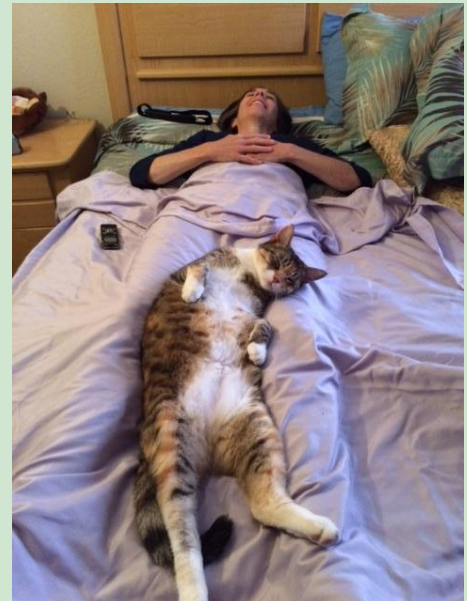

Puddah in Cahokia

**I have found that while living with cats it is good to remember that you are usually in the presence of a High Being or even a Master. They know what is best for you and are committed to the solution energy for healing you and others.**

**See Master Puddah exercising her desire to help others through her healing abilities:**

**This is going to  
be a FUN CLASS  
and also one  
that is very  
informative.**

**CATS are here  
to teach SELF  
LOVE and  
Freedom.**

**Can YOU benefit from learning more  
ways to take care of you?**

---

**Many Ancient Civilizations worshiped  
Cats and considered them Deities.**

**Come talk to Master Puddah and some  
other very Ancient wise Cats.  
They have a lot to teach us.**

## MASTER CAT PUDDAH'S PRAYER FOR HUMANITY

**I pray that each human will open up to the Light of their Source in this lifetime.**

**I pray that each human will open their heart and know how truly loved and supported they are during their Earth experience. I pray that each human will open to receive the many gifts from Creator Source that are theirs to claim when you truly know they are a Divine creation.**

**I pray that each human comes to know the support and guidance that is given to them when they are born for their entire life. I pray that each human remembers that they are truly unique and special and eternally loved.**

**I pray that each human comes to know and remember that LOVE is all there truly is and your human earth life is the playground you have asked for, to Be Love in all of the ways you can imagine and create.**

---

### **Suggested Human Affirmations:**

**I open the Gate for Love to flow into my life every day as I connect to my Creator Source Energy.**

**I open to the highest experience I can create each day as a Conscious Creator.**

**I forgive myself each day for any thoughts, feelings, words or deeds that I created that are less than loving.**

**I acknowledge that I am an expression of the Divine, a child of Source, and that I am the Light by which all things come to me to be free, happy and alive with passion for life.**

**I choose all things that come to me so that I may experience my life as an awakening, transforming and free eternal Being in human form.**

**I intend that I fully embrace my ability to Create my Life as a free and independent vehicle of Source energy.**

**I accept that I do not need to wait for anyone or anything to move forward each day with faith and purpose to create all that I can imagine from my Divine vibration of Joy!**

**I embrace my human form and abilities and promise to be the best possible Star of my own reality on Earth. I declare that truth, health, happiness, abundance and balance are mine. I am the Master of my reality and I am grateful for my life.**

**I choose to create my life from my heart as each day I ask to raise my vibration and continue to awaken as the eternal, Divine Spiritual Being that I am.**

I am the light. The light I am. May all beings be uplifted, healed, and reborn by the power of my immaculate declaration. And so it is.”
