“ Mimi the most loved daughter of a true protector Patty Taylor. She fought for Mimi's life and gave her love, celebrations, holidays that rivaled fairy tales. Siblings gave love, support and interacted with her as she had no disabilities. She had and still have the best of hearts designed for her. Bless the care providers, longtime medical staff and all who supported this family through out MiMi's life. Heaven awaits someday we'll ALL be together. Much luv Bernice
