christmas at bookclub

'tis the season!

choose christmas. choose chipolatas. choose lynx sets. choose terry's chocolate orange. choose itchy jumpers, ill fitting jammies and a tin of quality street that gets surreptitiously smaller every year. choose carefully treading a frozen over pavement only to land on your arse as you reach the car. choose eating a cheeseboard for breakfast and the same again for lunch. choose chips and cheese in the taxi queue. choose getting changed into your gladraggs in the office toilet and spending the whole night assuring sandra from finance that she is, in fact, a dancing queen. choose watching home alone for the 154215th time covered in twiglet crumbs. choose buck's fizz on a monday.
