

From the Head

The new arrangements referenced in Monday's letter are now embedded into school routines. Huge thanks go to children, colleagues, parents and carers, for their flexibility and understanding. Let's hope that we are all able to enjoy a restriction free, safe summer. Stay safe!

Happy Faces on Zoom

The children in 3MS have embraced our zoom sessions with energy, enthusiasm and a wonderful positive attitude towards home learning!

Home Learning

A few pieces of work produced by Year 1 this week. We were so impressed with the work received. We have been studying the book The Lighthouse Keeper's Lunch. Here is Joseph from 1AC acting it out and Oscar who made a working model to tell the story. The children then wrote about the characters and designed new horrible sandwiches to scare away the seagulls.

The Green Cross Code

Children aged 7 can begin to learn the Green Cross Code and how to put it into practice.

- 1) Find a safe place to cross
 - Use a pedestrian crossing if there is one
 - Choose a place where you can see clearly in all directions
 - If an obstacle is blocking your view of the road, choose a better place to cross!
- 2) Stop just before you get to the kerb
 - Do not stand on the kerb
 - If there is no pavement, stand at the edge of the road.
- 3) Look all around for traffic and listen
 - Traffic can come from any direction
 - Sometimes you can hear traffic before you see it
 - If you see or hear an emergency vehicle in the distance, let it pass.
- 4) If traffic is coming, let it pass
 - Never run across the road when traffic is coming, even if you think there is time. It can be difficult to judge the speed of traffic
 - Be aware that traffic may speed up.
- 5) When it is safe, go straight across the road- do not run
 - Continue to look and listen as you cross
 - Look out for cyclists and quieter vehicles, you may not hear them approaching
 - Walk straight across the road.
