PERMANENT WAVE OF THE EYELASHES

Duration: 4 hours

Slightly wavy eyelashes are decisive for the aesthetics of the eyes, decisively influencing the expression of the look.

The permanent waving of the eyelashes, far from affecting their health, helps them grow healthier than when other more traumatic curling systems are used.

Temary:

- Eyelash exam.
- Hygiene, contraindications and precautions.
- Preparation.
- Process of applying the curling technique.
- Maintenance and recommendations.

Course price: € 96
