“ I went to high school with Alice and then worked with her later in our lives. It was so very nice to see this picture of Alice when she was young and feeling well. I pray that God has given her peace and rest. To Alice's family and friends, I extend my condolences and prayers. Julie Webster and Mark Dean

“ I am sorry to here of the passing of Ms. Alice. She was one of the sweetest, kindest and gentleness ladies that I knew. She was the same no matter where you saw her and no matter how she may have been feeling within she would always tell you that she was alright! Ms. Alice I will miss seeing you every morning giving such a warm smile and a wave as I clock in. Take your rest! Keisha, ECI-Co-worker
