

Traversa Ride 360 Mobile Application Guide

To access student routing information through the Traversa Ride 360 mobile app, do the following:

- 1) Download "Traversa Ride 360" from the Google Play Store or iTunes.
- 2) After the installation is complete, open the mobile app.
- 3) When you're asked to find your school district, search for the Kittery School District.

A screenshot of the Traversa Ride 360 mobile app login screen. At the top, it says "tyler technologies" and "Traversa Ride 360 - Tyler School District". Below this are two input fields: "Username (email)" and "Password". A blue "LOGIN" button is centered below the fields. At the bottom left is a blue "Register" link, and at the bottom right is a blue "Forgot Password" link. A "Privacy Policy" link is at the very bottom.

- 4) Once Kittery is selected, you'll be presented with the login page. If you don't already have a login, click 'Register'.
- 5) To register, enter your email address, along with your password and name.
- 6) After registering, you'll receive an email confirmation. The provided link will require you confirm your registration through the Ride 360 website.

A screenshot of the Traversa Ride 360 mobile app welcome screen. The title bar says "Traversa Ride 360". Below it, the text says "Welcome! Let's get started by finding your school district." There is a search bar with a magnifying glass icon. Below the search bar is a numeric keypad (1-0) and a QWERTY keyboard. At the bottom, there are icons for emojis, a language selector set to "English(US)", and a search icon.A screenshot of the "Find a Student" screen in the Traversa Ride 360 mobile app. The title bar says "Find a Student" with a close button (X). Below the title bar, it says "Enter the Student's information into the required fields below and tap FIND STUDENT." There is a "Student ID" label followed by a large text input field. At the bottom is a blue "FIND STUDENT" button.

- 7) Login to the mobile application and then add your child by going to My Students and choosing the + button. This will present the Find a Student screen.
- 8) Enter the unique information provided by your district to find your child. Repeat this step to continue finding students.
- 9) When all children are added, you can then view transportation information for each of your children.
- 10) If you'd like to share a student link with another

SAFE STOP™

Giving you peace of mind

Lighten your daily load.

Parents have enough to worry about. SafeStop puts key information at your fingertips so you won't lose time or energy wondering "where's the bus?".

Set up SafeStop:

1. Download the SafeStop app from the App Store or Google Play.
2. Enter the school access code provided below.
3. Enter your child's unique Student ID.
4. Select the route you wish to track.
5. Create alert zones around drop-off and pick-up points.

You're all set! You will be able to track the bus's movement during active route times and receive notifications when the bus enters your custom alert zone(s).

Trust that your information is secure.

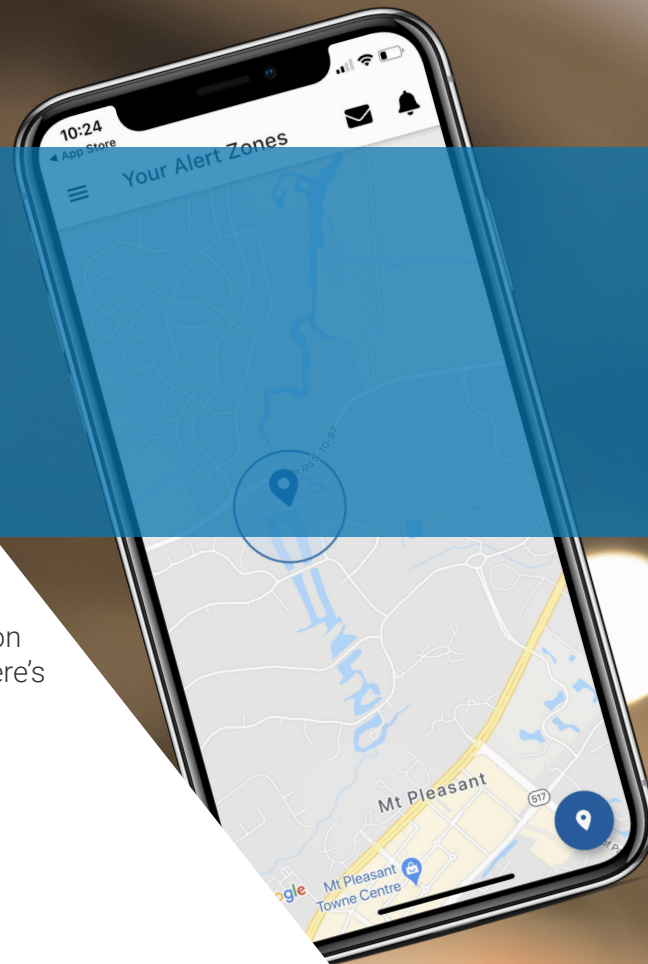

Security is priority one, especially where student information is concerned. All parent information is password protected within the app to prevent unauthorized people from accessing any student bus information.

Key Features:

- View a real-time, map-based bus locator
- Guarantee parent and student information privacy
- Create custom zones for each stop and school
- Receive email alerts and push notifications
- Available on smartphones and tablets
