

Telecoms Equipment Repair Service

Indigo Telecom Group helps its customers remain competitive by optimising existing assets through repair and maintenance.

Global equipment repairs by Indigo Telecom Group

- All major brands covered (Alcatel, Ciena, Cisco, Nokia, etc.)
- All major categories (Access, Broadcast, IP, Optical, Switching, Microwave, etc.)
- Repair to system, card and component level
- Market-leading turnaround times (5-20 working days)
- Market-leading BER / NFF rates (<5%)
- Repeat returns rate < 0.5%
- Management reporting and trend analysis

Indigo has the ability to test and repair modules and complete systems belonging to the following platforms. Note that our testing capability portfolio is growing all the time in response to technology change and customer demand. Please contact us with your requirements.
