Introducing the "White Tiger" Desert Eagle pistol! Its White Tiger finish is created by alternating a pattern of matte and high polish stripes. It joins the previous Gold Titanium, and Black Tiger Striped models, offering shooters another custom finish option for the powerful and accurate Desert Eagle magnum autoloader.

The White Tiger is available in .44 Magnum or .50 Action Express calibers. The pistol's slide and frame are stainless steel, and feature a 6" barrel with integrated muzzle brake. Like all Desert Eagles, the White Tiger represents the pinnacle of style, power, and accuracy in a semi-automatic handgun!
