## MISSIONARIES TO ARGENTINA

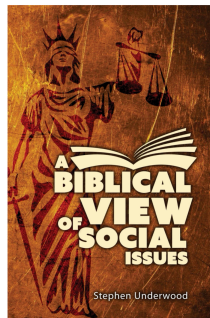

### September 2020 Prayer Letter

We have not received official word yet, however news outlets, and other missionaries in Argentina are saying that the borders to the country may open up in November. While this is disheartening in our own understanding, I am encouraged to know that God's ways and thoughts are perfect. He knows what is best to accomplish His purpose!

I gave a short update last week about a need that arose unexpectedly. We ended up paying \$3000 for vehicle repairs between each vehicle. Praise the Lord, a faithful supporting church has already committed to help with this need! Again, our God is always faithful to provide in great ways!

I also mentioned a project I had been working on for several months, a short book entitled "A Biblical View of Social Issues." I would be glad to mail anyone a copy that might be interested, or you can email me for an ebook version. It is also available on amazon for .99 because that is the charge they set. Simply search Stephen Underwood on [amazon.com](https://www.amazon.com) for the best results.

Continue to pray with us for the following:

- Please pray with us that we can leave for Argentina as soon as possible.
- Pray that the remainder of our set up funds needs will come in.
- Pray we can replenish the remainder of the \$3000 for our car repairs.

Thank you all for your continued love, prayers, and support for our family!
