

Event Location

KAOS

The creative KAOS brings people together through the unique combination of coworking, event and shooting locations and offers them the freedom to develop, to inspire one another, to support one another and to learn from one another.

We offer you extraordinary event locations in industrial charm directly on the Spree for your event, with which you can realize your professional and creative potential, exchange ideas, inspire others, build your network and continue to grow.

Unplastered brick walls, huge industrial windows, high ceilings and loving wood designs combine to create a unique location for celebrations and events.

Individual Events

All our areas can be individually designed and flexibly converted.

So you can organize both a seated dinner, as well as large celebrations and many other events with us.

Diverse Usage

- Meetings / Workshops
- Company parties
- Private parties
- Teambuilding events

Rooms

- Studio
- Panorama room
