

June 2021 News & Notes

This month we are continuing our student spotlight in *News & Notes* - from time to time we will use this newsletter to introduce our students to you! For June, we would like you to meet **Jacob**!

Meet Jacob, our animal enthusiast!

Jacob has an explorer's heart - he's always seeking out new information! Ever ready to learn, he spends time reading about animals, nature, and the like. His kind heart and inquisitive nature gives him helpful hands. If you ask him, he will lay out his plans to become, "Jacob- DVM." DVM - Doctor of Veterinary Medicine!

With an eminent brilliance that can't be ignored or eclipsed, he lights up his listeners with philosophy beyond his years. This is why he is an exemplary student and a joy to have in any classroom! Bustling with energy, Jacob is currently learning animal vocabulary in Spanish with Mr. Seth, practices gardening with Ms. Margie, and has been a part of African and Liturgical dance classes with Ms. Kia. Between it all he spends time turning flips, climbing, running and jumping as far as his brave heart will let him!

"Train up a child in the way he should go; even when he is old he will not depart from it." - Proverbs 22:6
