# Salisbury Association

Serving Our Community Since 1902.

Our Northwest Corner is so fortunate to have many wonderful organizations that serve its residents and visitors, promote its cultural richness, and preserve its natural beauty. It is also home to many public-spirited individuals who volunteer - or who would like to volunteer - their time and talents to work for these organizations. We hope this booklet will help bring these organizations and volunteers together.

We also hope that you will support these organizations by making donations, large and small. They all depend on the support of our community to continue their good work.

You will find this booklet posted on the Salisbury Association's website, [www.salisburyassociation.org](http://www.salisburyassociation.org), and the Town of Salisbury's website, [www.salisburyct.us](http://www.salisburyct.us). Although the information is up-to-date at the time of printing, some details and contact information will change in the future and will be posted on the websites.

Many people and associations helped with this project, and we are grateful to all of them. Special thanks goes Jeanne Wardell and Alice Yoakum, Editors of the Northwest Corner Volunteer Directory, published in 2010. We are very appreciative of the financial support from the following:

## Camp Sloane YMCA

124 Indian Mountain Rd  
Lakeville, CT 06039

Camp Sloane YMCA has offered co-ed resident and day tent camping since 1928. It has all of the great activities that you would expect, but what sets us apart is our foundation of building blocks: cooperation, inclusion, trust, growth, loyalty, and perseverance. We aim to instill these values in our campers and staff in order for them to thrive and grow. We welcome individuals and small groups to **volunteer** their time with us. Typical projects include spreading mulch, lawn mowing, trail maintenance, and office work. Every April we host our Annual Volunteer Weekend when more than 100 volunteers help us get ready for the summer. They help set up the platform tents, sweep the campus of winter debris, get the camp store ready, and make our camp look great!

## Habitat for Humanity of Northwest Connecticut

PO Box 1

Salisbury, CT 06068

Habitat for Humanity of Northwest Connecticut was founded in 1991. Using mostly **volunteer** labor, we build affordable single-family homes for families that would not otherwise qualify for a conventional mortgage. This affiliate also provides Partner families with a zero-interest mortgage, saving the family thousands of dollars over the life of the mortgage. We look at what we do as “a hand up, not a hand-out,” and we see our mission as one that facilitates the ability of families to grow and thrive in our area – a necessary element of maintaining a vibrant community. The mission of the Salisbury Housing Trust is to promote affordable home ownership in the towns of Salisbury. In the past years, the Housing Trust has built or renovated 14 homes, now owned and occupied. The Housing Trust subsidizes the homes, making them affordable; retains ownership of the land; and enters into a contract with buyers to maintain affordability when the homes are resold. The all-**volunteer** Board raises funds; works with applicants to find, renovate, and subsidize homes; assists with banking and real estate transactions; maintains contact with other town and regional organizations; keeps in touch with Housing Trust home owners; and oversees property maintenance.
