WINNERS

Best of Breed Competition

Non-Regular Classes Involving Single Dog Entries

The following non-regular classes will be provided for both dogs and bitches

Entries in the following classes need not be intact.

Winners from these classes are eligible, if undefeated in another class, for Best of Breed competition

Veteran 7-9 Years Class - 7 Years and Under 9 Years on the day of the show

Veteran 9-11 Years Class - 9 Years and Under 11 Years on the day of the show

Veteran 11 Years & Over Class - 11 Years and Older on the day of the show

Non-Regular Classes Involving Multiple Dog Entries National Only

Stud Dog Class – For Stud Dogs and at least two, and not more than four of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered in one of the Regular Classes or, if a Champion of Record, in Best of Breed competition, but must be entered in the Stud Dog class. The Get must be entered in one of the Regular Classes or, if a Champion of Record, in Best of Breed competition.

The Stud Dog shall be considered one entry and requires one entry fee. The Stud Dog must be shown in the ring with the Get. The class will be judged based on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the dog show rules, AKC policy, or the standard of the breed.

Brood Bitch Class - same as for Stud Dog except substitute Brood Bitch for Stud Dog and Produce for Get.

*Chapter 11, Section 8 of the "Rules Applying to Dog Shows" provides that a neutered male may be entered as a Stud Dog in the Stud Dog Class and a spayed Bitch may be entered as a Brood Bitch in the Brood Bitch Class.

Brace Class (Two dogs, one or more common owner) – Require an entry fee of \$22.00 for the Brace as a UNIT if entered in another class. The dogs comprising a Brace must be named at the time the entry is made. If a dog which is to be part of the Brace is not entered in another class, it must be entered for "Brace Class Only" with a fee of \$32.00 per unit. In making entries for "Brace Class Only," full particulars must be given for each dog on individual, regular entry forms. An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for "Additional Class" if more than one Brace is entered by the same owner, the dogs comprising each Brace must be so designated "Brace No. 1," "Brace No. 2."

As the judge's decision in the Stud Dog, Brood Bitch, and Brace classes will be based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in the class will be eligible to compete for Best of Breed by virtue of having won either of these classes.

****Points Available for Reserve****

The Italian Greyhound Club of America, Inc. will award at its *National Specialty* a three point major to Reserve Winners Dog if the Regular Class Dog entry is twice the required number for a five point major in the division where the National Specialty is held.

The Italian Greyhound Club of America, Inc. will award at its *National Specialty* a three point major to Reserve Winners Bitch if the Regular Class Bitch entry is twice the required number for a five point major in the division where the National Specialty is held.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
